Kiwaniis Club of Madison West – Kiwanogram

The **Kiwaniis East Club** hosted our triannual meeting on April 22nd. We had good attendance from the East, Downtown, and West Clubs. There were also members from the Middleton and Monroe clubs in attendance, as well as Past Governor Durner. About 50 members overall.

Bob Lindenmeyer, Head Meteorologist Emeritus, WKOW 27 News, spoke on climate change. Bob presented the three S's about climate change – it is Simple, Serious, and Solvable.

Bikes For Kids Wisconsin is a new volunteer opportunity for club members. A few members have been volunteering there on their own and proposed to the Board to make it an official club service project. The Board approved their proposal at our March meeting.

Our regular shift is every Tuesday, from 10 a.m. to 1 p.m. There are many other shifts open if that day and time does not work for you. You can sign up when you arrive at the shop at 354 Coyier Lane, Madison.

All skill levels are welcome, from truing wheels and frames to cleaning bikes. One important repair skill they do not require is patching a flat inner tube. Instructions are provided by the staff and/or other volunteers. We have fun chatting and learn a little something every week!
